Dear parents,  
Greetings of the day!

**Advisory Regarding Pending School Fees**

The School Management extends its sincere appreciation to all parents who consistently support the institution through the timely payment of school fees.

We would like to remind parents that regular fee payments are essential for maintaining the quality of education and services provided to our students. The school's operational expenses, including academic resources, facilities maintenance, transportation, utilities, and staff remuneration, are largely dependent on the timely collection of fees.

As the **Mid-Term Examinations** are scheduled to commence during the (third week of September 2026), parents are requested to ensure that fee accounts are reviewed and regularized at the earliest.

Parents whose outstanding fee balance **exceeds OMR 200/- as of 3 June 2026**, are particularly requested to bring the outstanding amount below this level **on or before 31 August 2026**. The school values every child's educational journey/right, and remains committed to providing uninterrupted academic support. However, parents are also requested to appreciate the necessity of meeting their financial obligations to enable the institution to function effectively and continue delivering quality education.

Please note that the School Management reserves the right to review and regulate the provision of certain administrative and examination-related services for accounts that remain significantly overdue beyond the stipulated date. Parents experiencing genuine financial hardship are encouraged to contact the School Administration for guidance and possible arrangements.

In addition, the school appreciates the parents who came forward and cleared their outstanding dues following the circulars issued last year. The same fee policy will continue this academic year, with stricter implementation to ensure timely fee payments. Continued fee defaults may, in unavoidable circumstances, lead to stringent actions as per the school's policies. Parents are therefore requested to contact the School Administration to discuss any concerns and make necessary arrangements to avoid such serious consequences.

We seek your cooperation and understanding in this matter and look forward to your continued support.
