|     |                                                                                          |
|-----|------------------------------------------------------------------------------------------|
| Q1. | <b>Refer to a dictionary and find the difference in meanings of the following words:</b> |
| a   | Score/ scour                                                                             |
|     | Ans.                                                                                     |
| b   | Recent/ resent                                                                           |
|     | Ans.                                                                                     |
| c   | Further/ farther                                                                         |
|     | Ans.                                                                                     |
| .d  | Effect/ affect                                                                           |
|     | Ans.                                                                                     |
| e   | Herd/ heard                                                                              |
|     | Ans.                                                                                     |
| f   | Pain/ pane                                                                               |
|     | Ans.                                                                                     |
| g   | Quite/ quiet                                                                             |
|     | Ans.                                                                                     |
| .h  | Plain/ plane                                                                             |
|     | Ans.                                                                                     |

## INDIAN SCHOOL NIZWA - WORKSHEET

|     |                                                                                    |
|-----|------------------------------------------------------------------------------------|
| .Q2 | Punctuate the following sentences using comma(,) and hyphen(-) wherever necessary: |
| a   | Smitha has gone to the movies along with her sister in law.                        |
|     | Ans.                                                                               |
| b.  | Akhil's father has been working as an accountant for more than thirty one years.   |
|     | Ans.                                                                               |
| c   | I do not know him he was just a passerby..                                         |
|     | Ans.                                                                               |
| d   | Greeting elder's relatives and friends on festivals are our age old custom.        |
|     | Ans.                                                                               |
| e   | The old man sank upon the ground eyes closed breathing heavily.                    |
|     | Ans.                                                                               |
