

# INDIAN SCHOOL NIZWA

## Chapter-8 :Animals and their Young ones-Worksheet

### Subject : Science

|              |              |                        |
|--------------|--------------|------------------------|
| <b>Name:</b> | <b>Date:</b> | <b>Class : IV Sec:</b> |
|--------------|--------------|------------------------|

#### I. Match the following

- |               |              |
|---------------|--------------|
| 1. Horse      | kitten       |
| 2. Dog        | calf         |
| 3. Cat        | colt         |
| 4. Cow        | puppy        |
| 5. Pig        | cub          |
| 6. Tiger      | catterpillar |
| 7. Sheep      | bunny        |
| 8. Goat       | calf         |
| 9. Duck       | lamb         |
| 10. Frog      | duckling     |
| 11. Butterfly | piglet       |
| 12. Elephant  | tadpole      |
| 13. Rabbit    | cub          |
| 14. Rat       | calves       |
| 15. Whale     | pups         |
| 16. Leopard   | kid          |

## II. Think and Answer:

1. According to you what is the biggest threat to endangered animals around the world?
